FUN WAYS YOU CAN LIVE GREEN

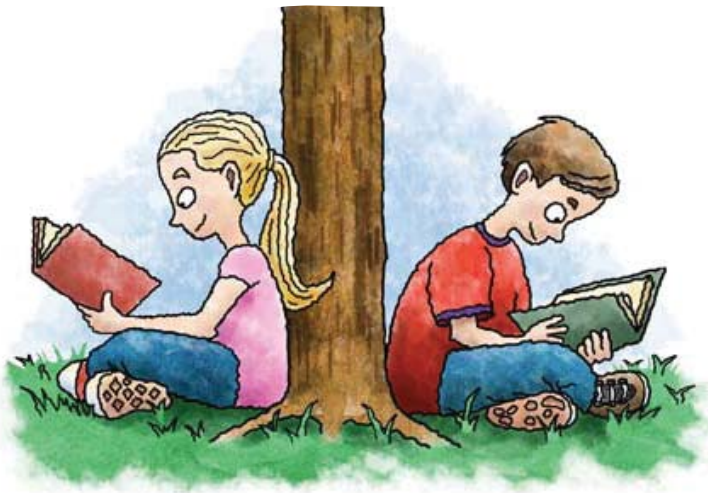

Summer 2008

Summer Sustainability Reading List

Summer is a great time to relax and explore things that interest you by reading.

You probably have more time to think about things, including ways to help the planet!

When you read you are only bound by the limits of your imagination.

Did You Know?

- The Library of Congress in Washington, D.C. is the largest library in the world, with more than 134 million items on approximately 530 miles of bookshelves!
- The Library of Congress was founded in 1800, which makes it the oldest federal cultural institution in the country.
- The Library of Congress has materials in 460 languages!
